

# PESA

Positive Education Schools Association

South Australia Chapter

## The PESA SA Chapter invites you to our Term 3 Professional Development Opportunity.

**Date:** Friday August 18  
**Time:** 4:30pm to 6:30pm  
**Venue:** Trinity College Gawler Pavilion - Enter from Greening Dve, Evanston South

Enjoy some refreshments and network with like-minded Positive Education professionals as we host a vibrant Swap Meet of ideas and activities for teaching, celebrating, embedding and using Character Strengths in Schools.

Attendees are warmly invited to bring along their favourite examples of any of the following to share or swap in a written handout, visual or photographic handout, or other easy take-home format:

- Staff character strengths activities or engagement
- Student strengths activities or engagement
- Community strength activities or engagement
- Strengths based communication
- Strengths based relationship development
- Strengths in policy
- Strengths in counselling or student care
- Strengths embedded into school culture and practice

Swap ideas and stories. Take home a free collection of your favourites from those displayed, to try in your own school! The more people who bring an idea or example, the more valuable the Swap Meet will be!

PESA would also love to add your ideas and suggestions to the website to boost collaboration between members so please share, share, share!

For this event, you'll need to know your Top 5 Character Strengths ahead of time. [Click here](#) to take the free survey if you don't know yours.

To assist with organisation for the event, please email [Lisa Kettler](#) with some basic details if you will be bringing an example to share.

Book your ticket for this event (Free to current individual PESA members, \$50 for non-members and includes an annual PESA membership) — [click here](#).

**We look forward to seeing you there!**
