Positive Education Schools Association

Western Australia Chapter

**The PESA WA Chapter
is delighted to invite you to our Term 3
Professional Development Opportunity:
Introduction to Positive Psychology &
Positive Education**

Date: Thursday September 7
Time: 5pm to 7pm
Venue: Christ Church Grammar School, Queenslea Dv, Claremont

This free workshop, offered by the PESA Western Australian Chapter, will provide a rich and engaging introduction to Positive Psychology and its application in the school setting.

The content will be of particular value to people who are thinking about, or have just begun, a journey in Positive Psychology or Positive Education in their school. It will introduce models of wellbeing, and some of the key ideas and foundations of Positive Psychology in schools including character strengths, resilience, mindfulness, mindset, kindness and gratitude practices.

This will be an interactive workshop with excellent networking opportunities to meet other like-minded school professionals. Refreshments will be provided!

Our speakers for this workshop all have a deep and thorough understanding of the science and practice of Positive Psychology in schools. They are both members of the 2017 PESA WA Chapter Organising Committee:

Laura Allison
Psychologist and Director of Wellbeing
PLC Perth

Wayne Revitt
Teacher and Head of Primary
John Wollaston Anglican Community School
