PESA Security Policy

PESA uses the eWAY Payment Gateway for the majority of its online credit card transactions. This company processes online credit card transactions for thousands of Australian merchants, providing a safe and secure means of collecting payments via the Internet.

All online credit card transactions performed on this site using the eWAY gateway are secured payments.

- Payments are fully automated with an immediate response.
- Your complete credit card number cannot be viewed by PESA or any outside party.
- All transactions are performed under 128 Bit SSL Certificate.

- All transaction data is encrypted for storage within eWAY's bank-grade data centre, further protecting your credit card data.
- eWAY is an authorised third party processor for all the major Australian banks.
- eWAY at no time touches your funds; all monies are directly transferred from your credit card to the merchant account held by PESA

Some customers may elect to use our PayPal facility to make credit card payments. PayPal is a similarly reputable company with comparable safeguards to those of eWAY.
