Want to have fun whilst making a positive difference?
Join the Colour Your Threads for PosEd campaign! Grab your friends and create your own PosEd themed t-shirt designs. You can even get your friends and family to sponsor or buy your design, with all the funds going to PESA to help support Positive Education in schools.

Feeling creative? Create a school wide PosEd Poster Challenge! Design a poster that showcases the importance of wellbeing and positivity in your school community. Ask students who compete in the challenge to make a donation. Funds raised from the challenge will go to PESA to help spread the message of Positive Education.

Want to give back to your community? Join the PosEd Volunteering Challenge! Organize a group of friends and volunteer at a local charity or community event. You'll get to work together, build connections, and make a positive impact in the world. Plus, you can fundraise for PESA by asking for donations from family and friends.

Feeling active? Take on the PosEd Challenge! Choose a physical activity that you love, like running, swimming, or hiking, and challenge yourself to complete it for a cause. You can ask for sponsors for your challenge, with all funds raised going towards Positive Education initiatives supported by PESA.

Want to spread positivity in your school? Join the PosEd Kindness Challenge! Take a week to perform acts of kindness, like writing notes of appreciation, sharing compliments, or helping out a teacher or classmate. You can get sponsored for your kindness, with all funds raised going towards PESA to help spread kindness and positivity in schools.
